The best way to learn your memory verses is to make flash cards using index cards with the verse number on one side of the card and the verse on the opposite side of the card. Spend one day on the verses for 2018, the next day on the verses for 2019, etc. I use the Scripture Type Bible Memory System app which you can download to your cell phone, pad, or PC. This app has a flash card feature. I setup a group called the "Merritt Island church of Christ" with a collection of our memory verses.
